

Stone Designs and Styles

Mascots, Sports, Activities, Zodiacs, Letters and many other designs are available under the stone.

It's best to use a light colored stone with a smooth, buff top.

Also complete your custom designed ring with the stone of your choice.

Yellow Gold

White Gold

Silver Satin with Platinum

Aztec White

Super Silver

Complete your custom designed ring with the metal of your choice.

14K or 10K Gold: A rare precious metal in yellow or white. **Silver Satin with Platinum:** A special platinum/silver metal at an affordable price. **Aztec White:** A super-tough, space-age metal with a brilliant white luster. **Super Silver:** A white precious metal that is harder and of superior quality than traditional sterling. (18K yellow gold available)
